

# SPOOK LIKE A PUMPKIN!

2.  
Ask a grown-up to help  
you cut along the dotted lines

1.  
Colour in the pumpkin  
face and accessories

3.

Decorate your pumpkin  
with the accessories

4.

Use tape or glue to attach the a stick  
to the back of the mask on one side

## YOU'LL NEED:

Crayons  Scissors  Glue or tape 

**Learn, Explore, Enjoy!**

At Little Dish, we believe in the power of real food to build a healthier, happier, more adventurous child filled with the right energy to fully discover the world around them. It's why I started Little Dish fifteen years ago and why, today, every one of our meals comes with a fun activity printed inside, carefully crafted to encourage mental and physical development in your little ones.

Why not join our family of real food lovers today at [www.littledish.co.uk](http://www.littledish.co.uk) to receive a welcome pack filled with activities and other goodies? The perfect way to keep little minds and bodies active and help them learn about healthy eating.
